

Optimum Salt Lamp - An Optimum Group's Company

Salt Lamp

Himalayan Salt Soap

Optimum Salt Company is a leading Pakistani, Optimum Group's Company has been manufacturing and exporting International quality Himalayan Salt products for the value customers from all over the world.

Optimum Salt's Soaps are made from natural Himalayan Salt Crystal created by nature millions of year ago and hundreds of meter down from foothills of Himalayan Salt Range Pakistan. Himalaya has the world's largest natural salt reserves with 1290 running miles. Reportedly these reserves will be serving the human kind for another 365 years.

The Natural color of these salt crystals blends from Off White to Apricot and from Orange to Warm Pink.

The finest and first of its kind Himalayan Salt Soaps are one of the greatest tools that reduce tension, stress and relieve pain inflammation. Reportedly, Himalayan Salt has 84 nutrients that naturally occur in our bodies. Through osmosis these nutrients naturally enter into the body to activate human natural healing mechanism allowing the body to restore its natural balance.

The Salt Soap can be heated on a heating pad or in a low heat oven to create a radiant heat that penetrates

deep into sore achy muscles. The Heat coupled with nutrients cause the body to release toxins that may be blocking the blood flow in that area. To reduce inflammation message Stone can be chilled quickly in the fridge for an effective anti inflammatory treatment.

Salt Soap are available in any of your required shape.
